Phone: (901) 692-4932
Email: emlee4@crimson.ua.edu

CITIZENSHIP United States

RESEARCH INTERESTS Homological Algebra; Profinite groups and Rings; Category Theory

EDUCATION

University of Alabama

Ph.D., Mathematics (July 2021)
2016-2021

- Dissertation Title: *A Classifying Family of Spaces for the Cohomology of Profinite Groups*
- Advisor: Dr. Jon Corson

Georgia Institute of Technology

M.S. in Mathematics (May 2015)
2013-2015

Mississippi College

B.S. in Mathematics (May 2013)
2009-2013

TEACHING EXPERIENCE

University of Alabama

2016-2021 Graduate Teaching Assistant

- Primary Instructor of the following classes:
 - Precalculus Algebra (MATH 112): Fall 2016, Spring 2017
 - Calculus I (MATH 125): Fall 2017
 - Introduction to Linear Algebra (MATH 237): Spring 2018
 - Precalculus Trigonometry (MATH 113): Summer 2018
 - Applied Differential Equations I (MATH 238): Fall 2018, Spring 2019, Fall 2020
 - Finite Mathematics (MATH 110): Fall 2019, Spring 2020, Summer 2020
- GTA Tutor at Mathematics Technology Learning Center (MTLC): 2016-2021

Georgia Institute of Technology

2013-2015 Graduate Teaching Assistant

Gave recitation, held office hours and graded homework and exams for classes including Calculus I and Differential Equations.
